

DIVERSITY QUESTIONNAIRE

The information in this section will be treated in the strictest confidence. The results will be used to produce overall statistics regarding the diversity, gender, disability, ethnicity etc of MPS suppliers.

What is ethnic origin?

Ethnic origin refers to members of an ethnic group who share the same cultural identity. This does not mean country of birth or nationality.

Guide to the meaning of disability

The Authority's definition of disability includes people with physical, mental or sensory impairments who experience, or have experienced, restrictions or discrimination in taking part fully in the mainstream of society. For example, they may have been disabled by lack of access in the built environment, segregated services, restricted employment opportunities, lack of access to information, which exclude them from taking part independently or fully in every day life.

I would describe the company ethnic origin as: -
