## MPA Statement of Accounts summary – questionnaire

Whilst the statement of accounts is a statutory publication and Accounting Codes of Practice and Financial Reporting Standards prescribe much of its content and format, we have more flexibility with the format of the summary accounts. We are therefore keen to ensure that the summary accounts are as user friendly as possible, and would welcome your suggestions on how we can achieve this.

We would appreciate if you could take the time to complete this questionnaire and return it to the following freepost address:
